• Sponsor is not responsible for lost, late, misdirected, mutilated, incomplete, illegible or postage-due entries or mail.
• Any attempt by an entrant to deliberately damage the website, defame or libel the Sponsor or any third party or undermine the legitimate operation of the contest may be in violation of criminal and civil
laws. Should such an attempt be made, Sponsor reserves the right to seek remedies and damages (including attorney’s fees) from any such entrant to the fullest extent of the law, including criminal prosecution.

• Sponsor, in its sole discretion, reserves the immediate and unrestricted right to disqualify any entrant or prize winner, if entrant or prize winner either commits or has committed any act, or has been involved in or becomes involved in any situation or occurrence which the Sponsor deems likely to subject the Sponsor, entrant or winner to ridicule, scandal or contempt or which reflects unfavorably upon the Sponsor in any way. If such information is discovered by Sponsor after a winner has received notice of her/his prize, and before the prize is awarded, Sponsor may rescind the prize in its entirety. If a portion of her/his prize has already been awarded, Sponsor may withdraw the remainder of the prize that has yet to be fulfilled. Decisions of the Sponsor are final and binding in all matters related to this paragraph.

Soup Challenge™ Official Rules

**Recipe Requirements**

- Each submitted recipe will compete head-to-head on taste and nutrition with one (1) *New England Country Soup* flavor. The *New England Country Soup* flavors are divided into three (3) groups. Entrant must identify which group his/her recipe fits into, then must select a *New England Country Soup* competitor from that group:
  - If the recipe is cream-based, entrant will compete with *New England Country Soup* New England Clam Chowder, Chicken Corn Chowder, or Yankee White Bean.
  - If the recipe is not cream-based and contains meat protein, it will compete with either *New England Country Soup* Chicken Pomodoro, Nana’s Chicken Soup, or Sweet Chicken Curry.
  - If the recipe is not cream-based, does not contain meat protein, and is vegetarian, it will compete with either *New England Country Soup* Caribbean Black Bean or Lentil soup.

- On the entry form, entrant must select the group in which his/her recipe fits, then must select the *New England Country Soup* flavor against which she/he will compete. Sponsor reserves the right to change an entrant’s chosen *New England Country Soup* competitor if it deems the entrant’s selected group to be incorrect. Entrant will be notified prior to making any changes.

- Entrant must also (1) specify ingredients and amounts to be used in exact common US household measurements (such as cups, tablespoons, teaspoons, ounces, etc.); (2) provide detailed step-by-step instructions; (3) detail the prep time, cook time, (4) expected number of servings and (5) identify which, if any, ingredient(s) are used as a topping or garnish for the submitted recipe; said “toppings” or “garnish” ingredient(s) will not be included in the nutrition analysis and, therefore, will not be included in the taste competition.

- Any recipe containing alcohol will be disqualified.

- Any recipes containing meat protein are limited to no more than three (3) meat protein ingredients per recipe (for instance, clams, mussels and scallops in a chowder or pulled chicken, shrimp and sausage in a gumbo).

- Entrant will not be permitted to alter his/her recipe after it is approved and posted.

**Contest Procedure and Judging**

**Soup Challenge™ Finals**

- Five (5) entrants will be selected to compete in each regional *Soup Challenge™* Final (Northeast, Southeast, and Midwest). Sponsor reserves the right to select fewer winners if, in its sole discretion, it does not receive a sufficient number of qualified submissions.

- There are two ways to be selected as a Finalist:
  1. Three (3) Finalists per region will be chosen by vote:
     - The three (3) entrants with the most votes from each region will automatically become Finalists.
     - In the event that two (2) or more recipes receive the same number of votes, Sponsor will select the Finalist(s) based on recipe creativity, including the story behind the recipe.
     - Participation in the voting component of the contest is optional. Entrants who choose not to participate in the voting will not be penalized.
     - For further details on voting, please see Voting section below.
  2. Two (2) additional Finalists will be selected by Sponsor based on recipe creativity, including the story and inspiration behind the recipe.

- Finalists will be notified by email on February 19, 2013 and/or by overnight mail February 20, 2013. They must confirm their participation in the Finals and complete an Affidavit of Eligibility, Release of...
Liability, Publicity Release (where legal), and Travel Release. These materials must be completed and returned no later than February 22, 2013.

- If a Finalist notification is returned as undeliverable, this will result in disqualification and an alternate winner will be selected, time permitting. If a Finalist is unable to participate in the final judging event, her/his status as a Finalist and Finalist Prize will be forfeited and an alternate Finalist will be selected, if circumstances permit.
- The Soup Challenge final events are tentatively scheduled as follows:
  - Northeast: Saturday, March 23, 2013 in Boston, MA
  - Southeast: Saturday, April 6, 2013 in Atlanta, GA
  - Midwest: Saturday, April 6, 2013 in Peoria, IL

  Note: all dates and locations are subject to change, including the Soup Challenge™ Finals, at the sole discretion of the Sponsor.

- All Finalists living outside the metro area where their respective contest Finals is held (Boston, MA; Atlanta, GA; or Peoria, IL) will be provided with a $200 travel stipend. If required, Sponsor will also provide overnight accommodations for these Finalists. Sponsor, in its sole discretion, will determine the boundaries of the metro areas and whether an overnight stay is required.
- Sponsor will make best efforts to provide the necessary cooking equipment for entrants to successfully prepare their recipe for the judges. Given equipment limitations, Finalists will need to scale their recipes to six (6) servings.
- Sponsor will supply all required ingredients up to a total of $25.00 per entrant. Finalists will be responsible for all ingredient costs in excess of $25.00. Sponsor will select the grocery store where ingredients will be sourced, and the selected store will determine ingredient costs.
- Finalists will be responsible for preparing their respective recipes in the time allotted by Sponsor without assistance.
- Recipes will be reviewed by a panel of judges chosen by the Sponsor in its sole discretion.
- Recipes (entrants’ and its chosen New England Country Soup competitor) will receive a score based on two criteria:
  1. Taste
     - Judges will assign each recipe a score of 0 through 100 based on taste (0 being Poor; 100 being Excellent). The decision of the judges is final.
  2. Nutrition
     - Prior to the Finals, each Finalist’s recipe will be submitted to an independent group of food scientists for the preparation of a Nutritional Analysis similar to that which is performed to create the “Nutritional Facts” section of all packaged foods.
     - Each recipe will receive a score comparing its nutritional profile to that of its chosen New England Country Soup competitor. The criteria for the Nutritional Score are detailed below.

- The taste and nutrition scores will be combined. The Finalist whose combined score comes closest to, or surpasses, that of its chosen New England Country Soup competitor by the most points wins the Soup Challenge™ Final in his/her respective region. In the event of a tie (i.e. two or more recipes receive the same combined score), judges will collaborate to select one winner.
- Upon “plating” and delivery of the recipes to the Judges for taste scoring, Finalists will be encouraged to compete against each other in a “Best Presentation” competition. Each of the five finalists will compete only against the other five finalists, not your chosen New England Country Soup competitor. Finalists will present their soups with full garnish.
Soup Challenge™ Official Rules

- Once the Judges have completed and submitted their taste scoring, the Judges will evaluate the fully garnished entries, choosing the recipe that is judged best ‘pre-spoon’ appetite appeal. The winner will receive a $50 Apple or Amazon (winner’s choice) gift card.

Soup Challenge™ Official Rules

- Winner’s name, recipe and photographs (if applicable) may be featured on a website or other advertising related to the contest, at Sponsor’s sole discretion. There is no cash value attributed to being featured on a website or in any advertising or having a recipe published in a cookbook. In the event the winners and/or their recipes are featured on a website or a cookbook or in any publication or advertising, no additional compensation beyond the prize described will be awarded.

Nutritional Analysis

- The Nutritional Analysis of each Finalist’s recipe will be directly and only compared with the Nutritional Analysis of its chosen New England Country Soup competitor as defined by the “Nutrition Facts” presented on the retail package of the chosen New England Country Soup flavor.
- This Nutrition Analysis will be performed by an independent group of food scientists and is similar to that which is prepared for the “Nutrition Facts” portion of a food product’s label. It will include the following elements: Total Fat, Cholesterol, Carbohydrates, Sugar, Sodium, Protein, Fiber, and Total Vitamins & Minerals. All values will be reported in “per serving” increments as defined by the United States Food and Drug Administration (“FDA”) and will be based on the preparation and cook times specified by each entrant in their recipe submission.
- Sponsor has developed an algorithm for use in the Soup Challenge™ contest to evaluate the nutritional profile of each Finalist’s recipe against its chosen New England Country Soup competitor.
- In this algorithm, each element of the nutritional profile has been weighted based on a general view of its importance to overall health and, particularly, the propensity of soup to deliver against each of these nutritional metrics. Excess amounts of some elements are generally agreed by the scientific and medical community to be detrimental to one’s health: sodium, total fat, cholesterol, carbohydrates, sugar; consequently, for these elements “less is better”. For some elements, “more is better”: protein, fiber, total vitamins & minerals. The algorithm to be used reflects these generally accepted views. A full report of the score of their recipe will be delivered to each Finalist on the day of their respective Soup Challenge™ regional Final.
- Entrants agree to be bound by the decisions of Sponsor; these decisions are final.

Severability

- If any provision of these Rules is found to be invalid or unenforceable by a court of competent jurisdiction, such determination shall in no way affect the validity or enforceability of any other provision herein.

Limitations of Liability

In no event will Sponsor, its affiliates, subsidiaries or related companies be responsible or liable for any damages or losses of any kind, including direct, indirect, incidental, consequential or punitive damages arising out of this Contest, including but not limited to, entrants access to or use of the website or downloading from and/or printing material downloaded from said website and use and/or misuse of the prizes awarded. Without limiting the foregoing, everything on the website is provided “as is” without warranty of any kind, either expressed or implied, including, but not limited to, implied warranties of merchantability, fitness for a particular purpose or non-infringement. Some jurisdictions may not allow limitations or exclusion of liability for incidental or consequential damages or exclusion of implied warranties, so some of the above limitations or exclusions may not apply. Check your local laws for any restrictions or limitations regarding these limitations or exclusions.
